

THOUGHTS I *love*

I am a woman who gets things done.

It's totally possible for me to do this!

I'm willing to feel uncomfortable.

I can do anything I set my mind to.

My life is exactly how it's supposed to be right now.

I'm figuring it out.

Everyone in my life is amazing...I'm going to notice how.

I will make this fun!

God made me unique, beautiful and talented. Period. End of discussion.

Love is always an option for me, and it's always the best one.

Instead of "I can't."

What if I could?

Instead of "There is no way that's possible."

What if it IS possible?

Instead of "That's stupid."

What can I learn from that?

Instead of "I don't know what to do."

If I did know, what would I do?

Instead of assuming every thought my brain offers me is true...

What if it's not true?
